Real Estate Agent Information

Description

Situated in the center of a student hub/playground this retail space can successfully house any commercial health professional or established sit down retail food brand. Well placed on the vibrant Rondebosch Main Road right next to the BP service station and opposite a very busy neighborhood mall marketing functions will be self sustaining. Signage availability for added marketing exposure both on Grotto and Main Roads. Undeniable trade exposure with both foot and car traffic this space should be grabbed with open arms.
